Re: Summer School Enrollment

Below are the details for St. Athanasius summer school 2019 for children who have completed Kindergarten through 6th grade. Children are encouraged to participate in the entire program, but we will accept them for parts of the program. We will need to know exactly when they will be attending so that we can provide for transportation and other needs. The class curriculum will be centered around the Bible, helping our children gain a working knowledge and love of the scriptures. Please fill out the enrollment form and Medical Release and return it to the church or Jody Wallace by June 17.
